We prepared the above nutritional information with the help of our third-party consultant, MenuTrinfo®, LLC, based on the use of standard serving sizes, standard product formulations, and approved ingredients. We obtained nutritional data from representative values published in the USDA Nutrient Database for Standard Reference and from information provided by our product manufacturers. Nutritional information for specific salad dressing appears on the back of each salad dressing packet. We based the nutrient values for our beverages based on cups about one-third filled with ice. Values may differ depending on the amount of ice in the beverage cup. Sodium values will vary depending on the amount of sodium in the water supply for each restaurant. The information displayed may vary from the actual values because of rounding, differences in the preparation of products at each restaurant, and seasonal influences and/or sources of our ingredients. The above information applies to our company-owned Captain D's restaurants. Some of our franchised Captain D's restaurants may use different ingredients in the preparation of some of their menu items. Those differences may affect the nutritional values.

MenuTrinfo®, LLC has provided the following information to help give our guests with food allergies the tools to make an informed food decision. We have derived all allergen data from the USDA Standard Reference Nutrient Database, along with manufacturer-supplied ingredient lists and allergen statements. We cannot guarantee that cross-contact has not occurred because of shared cooking and preparation areas and utensils. Formulations may change or an ingredient or vendor substitution might occur that may not be immediately reflected in this chart.

We have verified the gluten-free nature of the menu items identified above as gluten-free with the help of our third-party consultant, MenuTrinfo®, LLC. However, we or our manufacturers may change the ingredients of certain menu items from time to time to ingredients that contain gluten. In addition, we prepare our products in and on common restaurant equipment and, therefore, any of our menu items may contain some gluten not specific to the item being ordered. The above information applies to our company-owned Captain D's restaurants. Some of our franchised Captain D's restaurants may use different ingredients in the preparation of some of their menu items. Those differences may affect the gluten-free nature of the menu items.
